

Raccoon Mountain Marathon, Half Marathon & Relay 2018 Deferral Form

We're so sorry to hear that you will be deferring your race entry to next year, but we understand that injuries, medical issues with family and friends, and sometimes simple scheduling issues come up! We're happy to defer you to next year's race and give you automatic entry.

Name: _____

Race distance: _____

Email address: _____

I understand that I will not receive any race "swag" related to the 2018 Raccoon Mountain Marathon, Half Marathon, 10K & Relay. I would like to defer my entry for my chosen race distance to the 2019 race. I understand that this deferral is only good for the 2019 race, and should I not be able to run that race, I will have the option to transfer to another runner, but will NOT have the option to defer to 2020. I understand that if I want to change race distances in the 2019 race, I will not be refunded the difference in pricing for a shorter race distance. If I choose to move up from a shorter distance to a longer distance, I understand that I will be responsible for the difference in race costs. I understand that I will be required to sign a new waiver for the 2019 race.
